

COMPAC

VIRTUAL PATENT MARKING

Document update

June 2025

COMPAC® Patents

COMPAC® Manufacturing process and products are protected by patents. This virtual patent marking made available useful notice and information in order to satisfy the virtual patent marking provisions of various jurisdictions, including the virtual patent marking provisions of the America Invents Act.

This document provides lists of COMPAC® products and the associated patents. Other COMPAC® products not listed may be protected by one or more patents, and not all patent information about each COMPAC® product is necessarily provided here. Additional patent application(s) may be pending.

This information is subject to change without notice.
